SIC Action Steps: 2025-26 School Year

Goal 1: Action Plan for increasing parent involvement and communication

Parent and community participation was encouraged through the **Whiskers on Patrol** program by welcoming volunteers to greet students in the morning and attend school events.

A monthly **upcoming events** email was added to the regular parent communication initiative.

Goal 2: Action Plan for promoting student agency

SIC and students executed several **community giveback projects**, including Turkeys in Disguise, Blessing Box, Deep Well Toy Drive, and IB Loves SC.

Student Council worked on developing a proposal to add a cafeteria recycling bin and created a **plan of action** for implementation.
