

The Cornerstone Project *Updates*

UNDER CONSTRUCTION

Demolition is almost complete! The ceilings are opened up, the carpets are removed, and the old sanctuary & tabernacle wood steps are gone. Trades have begun and the progress is exciting!

The Cornerstone Project *Updates*

UNDER CONSTRUCTION

We uncovered a handwritten inscription on the altar, the original blue coloring of the metal cage structure, and discovered the original altar stone and embedded relic that was used during the first mass celebrated at OLGC by Fr. Joseph Toy in 1957.
