Elementary Principal's Report given by Jody Lamphere included the following items:

- Mr. Pietruch led the third graders in a Recorder Recital on March 18th. Students performed various songs for their parents. This is their first opportunity learning how to read music and play an instrument. They all did a great job!
- On March 19th several students in pre-k through sixth grade participated in the PTG Science Fair. So many interesting projects were on display. The students received a participation award and another award that was decided on by the judges. It was amazing to see all the different projects and how well the students presented their project to the judges.
- Students in 4th through 12th grade performed in a concert on March 25th to celebrate music and the arts in our school. The concert was a blend of large ensembles and soloists. It was an amazing night with outstanding performance from all involved. Congratulations to Mr. Pietruch, Mr. Dangler, and the students!
- Our March Team Workshop was on March 26th. We discussed vocabulary instruction and fluency. Teachers were provided with activities that can be used in the classroom. During our April workshop we will discuss comprehension and look at some reading date.
- We have finished our One School, One Book event. Students were treated to the movie based on the book on March 31st and April 1st. Thank you to the PTG for providing this opportunity to our students. Just this morning I received an email from The Strand talking about how great the kids behaved and how they loved having them all come.
- Our students in grades pre-k through 6th will have the opportunity to earn a free admission ticket to Water Safari. Students must read a minimum of 6 hours outside of school during a 4 week period. It is a great opportunity for our students to earn a free ticket and all they have to do is read!
- Upcoming Events
 - NYS Testing Kick-off: April 13th
 - NYS ELA Tests: April 14 & 15 (grades 3 & 4)
 - NYS ELA Tests: April 16 & 17 (grades 5 & 6)
 - Quarter 3 Evening of Excellence: April 22nd
 - Parent-Teacher Conferences: April 23 & 24 (½ day for students)
 - PTG Dance for Grades 4-6: April 24th
 - Remsen Cleanup Day: April 25th
 - Rams on the Move: Starts April 27th

High School Principal's Report given by Sanya Pelrah included the following:

- On March 26th, The Elevating Students Voices student group, along with their advisor, Mrs. Carlleen Taylor, presented to our staff. The students presented their work and findings regarding students' perception on various aspects, such as neurodiversity, microaggressions, and social media. They explained their work at ESV and how the goal is to help make school welcoming and equitable for everyone. This was a great opportunity for our staff to hear directly from our students on these important issues. It's great and very important when we get the opportunity to hear feedback from the students.
- Our recent production of *SpongeBob the Musical* was truly a success. The cast, crew, and advisors demonstrated exceptional dedication and creativity throughout the entire process. From the performances to the technical elements, the show highlighted the talents of our students and how the drama club strives to provide a great show year after year. I can't wait to see what their artistic endeavors will bring next year.

- On March 19, we held the annual Senior Switch Day. This is a great opportunity for seniors to work with (and dress like) a staff member.
- On March 21, Remsen had another great showing at the Utica University Science Fair. Trent Jenny won Runner-up Grand Champion of the Senior Division, with a prize of a trophy, certificate and a half-tuition scholarship to Utica University for one year, placed third in the Senior Division of Natural Science, and won the ACS Student Chapter Award in Chemistry. Daniel Burdell and Tucker Scouten won Grand Champion of the Junior Division, with a prize of a trophy, certificate and a \$500 tuition scholarship for one year at Utica University, and placed first in the Junior Division of Physical Science. Additionally, Alexandria Flint and Blair Smith placed second in the Junior Division of Physical Science. This year marks the fifth year in a row that Remsen has won Grand Champion at the Junior Level.
- The Music in Ours Schools Month Concert was held on March 25th. It was wonderful to hear and see the progress of our young musicians. The concert featured soloists and small groups as well as the larger ensembles. Many of the students who performed solos will perform these solos in the upcoming NYSSMA Solo Festival. Additionally, the new audio system was used for the first time at a school event, and the improved quality was noted and appreciated.
- The SAT was hosted at the high school on April 1st for any student who wanted to take this exam, and there was no charge to the students. Providing this opportunity during the school day at Remsen not only allows students a more comfortable and familiar testing environment, but it also removes possible obstacles such as scheduling, transportation, and financial burden.
- Clubs and Activities
 - 12th Grade- The seniors have a busy month ahead of them. There are two fundraisers currently in progress. The Krispy Kreme sales and the Applebee's pancake breakfast. The prom committee is hard at work developing prom tickets, flyers, and finalizing menu decisions and decorations. They are also preparing for the senior trip, which is to take place May 15th through 17th in Cleveland, Ohio. Looking further ahead, caps and gowns are being ordered. They are also thinking about the end-of-year events, such as the senior sunset, senior picnic and senior-staff softball game.
 - 11th Grade - The junior class is in the middle of the Krispy Kreme fundraiser. They are working on next year's prom location, themes and menus.
 - 10th Grade- The sophomore class hosted the Spring Fling dance on March 27th. The students had a great time and made some great memories. They will be having another bake sale during parent-teacher conferences on April 23-24, and they are planning a field trip in June to go on a hike and have a picnic.
 - Battle of the Books - At the March 18th regional Battle of the Books Competition, Remsen placed 3rd out of 8 high school teams. This was a noteworthy accomplishment, especially since this was Remsen's first time attending. The team competed, watched others compete, had lunch, took a tour of Herkimer's library led by their head librarian, and had the opportunity to interact with students from other schools. The team was also invited to attend an author visit from John Schu (Louder than Hunger) on May 21st in Holland Patent. The team will be doing a book study/book club read of this book in preparation for the author visit. This was an exciting first year for the club.

- Diversity Club - They will use their presentation from this month's high school Team Workshop as their Summit Project, which is a requirement for the Elevating Student Voices program. This year's summit will be at Hart's Hill Inn on April 22nd. They plan to be part of next year's ESV as well. Additionally, they held their Shamrock Shake fundraiser on St. Patrick's Day. Because there was a 2-hour delay, the students learned about being adaptable and flexible to ensure this was a success.
- FFA - They are working on planting for the annual plant sale, and state convention planning is in the works.
- Journalism Club - The 4th issue of the school newspaper is complete, and they will start the 5th issue by the end of April. They recruited three 7th-graders to write short stories and book reviews.
- National Honor Society - They held a parents' night out for the elementary students on March 23rd. NHS students hosted various activities, such as games in the gym, puzzles, coloring, and board games, and everyone was treated to a few snacks.
- Student Council - Student Council served their fellow students and community members by selling snacks at the school musical. They also provided the candy prizes for the Crochet Club's egg hunt, and they are currently making plans for this year's Olympic Day.
