I.S. Families,

Week one of PSSA testing is finished. Our students did a nice job on the ELA assessments. We have Math PSSAs on Tuesday and Wednesday next week and 5th grade have Science PSSAs on Thursday and Friday. Thank you for your ongoing support as we wrap up PSSA testing next week.

Attached to this communication you will find a Student Information Input Form. This is the form you can use to provide parent input on your child which will be considered when creating class lists for the 26-27 school year. Please follow the directions on the form and return it to the school by May 15th.

The month of May brings a lot of special events and activities. I will do my best to keep you informed. Please make sure you read my communications and communications for your child's teacher to stay informed.

I am still looking for parents to volunteer for our School Level Plan team meeting on May 27th from 4:00 – 5:00. Our School Level Plan outlines goals for the upcoming school year. Please consider volunteering for this very important team.

Teacher Appreciation Week is May 4 – 8. Please consider sending your child's teacher a note of appreciation for all they have done for your child this school year. The I.S. has amazing teachers who work hard every day to meet the needs of our students.
