School Governance Council

Summary of Action

The Wolf Creek Elementary School Governance Council Meeting was called to order at 5:00 p.m. on March 17, 2026, by the Chairperson, Ms. Middleton, and a quorum was confirmed at 5:01 p.m. The meeting agenda was presented and received unanimous approval from the voting members. A motion was made and approved to accept the minutes from the February 17, 2026 General Monthly Meeting and the February 18, 2026 Special Emergency Call Meeting. The minutes from the February 19, 2026 meeting were noted as unavailable and were not acted upon. It was noted that they would be voted on at the next scheduled meeting.

The council confirmed plans for the Spring Strategic Plan Retreat scheduled for March 19, 2026, and identified Ms. McClendon, Ms. Middleton and Ms. Hood as designated representatives to participate on behalf of the council. No public comments or general updates were reported.

During budget discussions, the council approved funding for clubs at $200 per club, totaling $2,200 across eleven clubs. A motion was also made and approved to fund the Student Lighthouse Club. Budget-related clarifications included the requirement for the Cheer Team to establish its own individual financial account, separate from the Dance Team. Additional charter and media fund expenditures, including safety and security items and purchases for the Book Carnival, were discussed, with some items pending further approval. Wolf Creek Elementary School reported approximately $30,000 remaining in Charter Dollars. This amount will be discussed with the bookkeeper Ms. Chandler so we can ensure the amount gets updated and reflects our actual expenditures.

The principal provided updates regarding additional funding for Extended Learning, Saturday Boot Camp for fifth-grade students, and implementation of the “Close the Gap” Science Ready strategy. Safety measures were reinforced, including mandatory badge use for all staff and visitors and enhanced parking lot supervision to improve arrival and dismissal safety. A motion to adjourn was made and approved, and the meeting adjourned at 6:00 p.m.
