Policy Number: P104

Title: Outside Activities

Section: Personnel – All Employees – General

The Joint Committee recognizes that members of the staff must enjoy private lives and may associate with others outside of school for political, economic, religious, cultural or personal reasons. The Joint Committee and its supervisory staff, however, have a responsibility to evaluate staff members in terms of their faithfulness to, and effectiveness in discharging school duties and responsibilities. Therefore, when non-school activities threaten a staff member's effectiveness within the school system, the Joint Committee reserves the right to evaluate the impact of such activities upon a professional employee's responsibilities to the school programs.
