C. Temporarily Suspending District Secondary Grading Policy

WHEREAS, due to the New York State Education Department’s ongoing progress toward the implementation of new Graduation Measures; and

WHEREAS, the Board of Education has adopted a new Grading policy for the 2026-2027 school year, which augments the weighting of the Regents examination in future school years; and

NOW, THEREFORE, BE IT RESOLVED, the Board of Education hereby suspends the District’s Secondary Grading Policy 4710 for the 2025-2026 school year with respect to the weight of Regents examinations on course grades; and

BE IT FURTHER RESOLVED, that the Board of Education hereby directs the Superintendent to submit to the Board of Education a ‘NO HARM’ plan for weighting of the Regents examination for consideration, review and immediate approval by the Board of Education.

The final grade of each Regents course will be calculated by averaging each of the quarterly grades and the Regents examination grade only if the Regents grade is equal or higher than the student’s four quarter average. Should a student achieve a Regents grade that is less than the student’s four quarter average, then the final grade for the Regents course will not factor in the Regents grade and be calculated by averaging each of the four quarter grades.

It is expected that the Glen Cove City School District Policy Committee will review the Grading Policy minimally each year based on the anticipated changes of Graduation Requirements as well as this resolution serving as a temporary suspension for the 2025-2026 school year.
