About Florida

FAME

The Federation for Advanced Manufacturing Education (FAME) is a nationally recognized program based on Toyota's Advanced Manufacturing Technician (AMT) program.

The earn-while-you-learn model provides students the pathway to earn an industry recognized degree while gaining valuable experience at a sponsoring company.

In just 5 semesters, graduates of the program earn an Associate degree, and log approximately 1,800 on-the-job hours at their sponsoring company.

If selected, students participate in the 40-hour per week training program where they attend college two days a week and work three days a week (at least 24 hours) at their sponsoring company.

Sponsoring Companies

ABB

Ameritech Die & Mold South
