# ART WINNER!

By: Kylie O'Lare & McKenzie Waters

## Congratulations Evan!

Evan Antolic won 1st and 2nd place in the Southwest District Art Contest. He chose to enter a Lion drawing and a portrait of Martin Luther King Jr.

Antolic said he was so determined about the lion drawing that he worked on it for almost the entire semester. Luckily, with help from art teacher he was able to finish. Evan initially thought that his drawing of the lion was different from the others and because of that, it was not as good. However everyone else thought the drawing was amazing, and the placing from the contest proved them correct.

Antolic said that Martin Luther King is a big inspiration for him and wanted to show appreciation by drawing him. Evan created a portrait of King by using a grid and the result was fantastic.

Evan stated that he never expected to win at all and that it was just fantasy. When he saw the 1st and 2nd place certificate on his artwork, he was ecstatic. Evan Antolic deserved both places and will continue to impress others with his art.

# Special Olympics

By: Evan Francis & Eden DeMuth

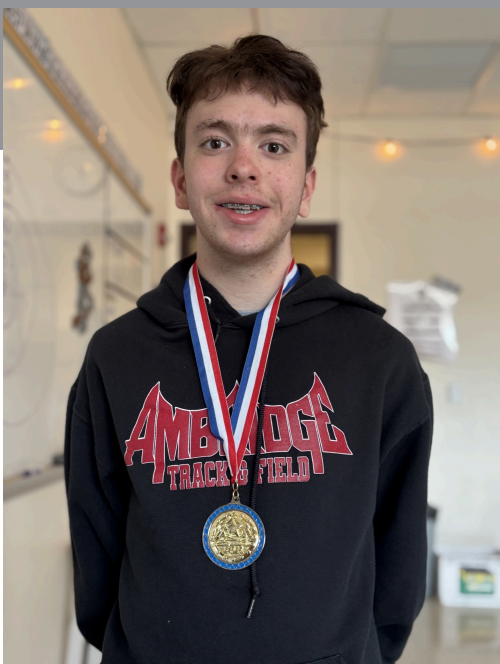

Athletes, coaches, families, and volunteers gathered at Geneva College for the Beaver County Special Olympics Track and Field Championships. The event brought together students from schools across the area for a day of competition, teamwork, and encouragement.

Held at Geneva College's athletic facilities, athletes competed in events such as running races, discus, and high jump. Volunteers from the college and community helped organize events and cheer on competitors throughout the day.

The Special Olympics is an organization that provides sports opportunities for individuals with intellectual disabilities, promoting inclusion, confidence, and sportsmanship. The event at Geneva College gave athletes the chance to showcase their abilities while being supported by friends, family, and spectators.

Throughout the competition, athletes celebrated personal achievements and encouraged one another, creating a positive and inspiring atmosphere. The event once again showed how sports can bring a community together and recognize the hard work and determination of every athlete.

## TENNIS

By: Alyssa Walker

The 2025-2026 Boy's Tennis team has made an incredible effort this season. The team has played 9 matches so far with a record of 3-6. Although their record is not winning, they still have strong dedication, and positive attitudes, with time to catch up. The first and second singles players, Liam Cooper and Brody Cunningham, have contributed significantly to the single matches. In doubles matches, Cayden Pollock, Brayden Cunningham, Cooper Belkot, and Lucas Smith have been doing an excellent job. In the end, every boy has put in time and effort of achieving the goals they have. Go Bridgers!

## BASEBALL

By: Katelyn McPherson

The Ambridge boys' varsity baseball team led by Zachary Dugan has already made a strong statement to their 2026 season, holding a 5-5 record. A big part of this year's leadership comes from the senior class: Eli Hartman, Ashton Thompson, Cody Hetrick, Nolan Pugh, Emil Stith, and Kenny Monz. Their experience and commitment have helped set the tone both on and off the field, guiding the team through the season. Offensively, Ben Vukovcan, Chance Parish, and Joe Leseiko currently hold the top three batting averages on the team. Their consistency at the plate plays a big part in this team's success. On the mound, Joe Leseiko, Cody Hetrick, and Ashton Thompson have been dominant as the team's leading pitchers. Their ability to control the game, limit hits, and deliver in high-pressure situations has also played a huge role in the team's early success. With strong leadership, powerful hitting, and reliable pitching, the Bridgers should make a push for the playoffs.

## Softball

By: Emma Pinchot & Caylin Fedora

The 2025-2026 Ambridge Varsity Softball team, coached by Amanda (AJ) Mitchell, Reg Humbert, Jonathan Fisher, and Joseph Georgakis, has shown determination this season. Captains: Caylin Fedora (Senior), Gianna Georgakis (Senior), Jaylynn Campbell (Senior), and Sadie Rushman (Junior) have inspired their underclassmen to show determination and enthusiasm. Despite them not having a winning record, they have put in their best effort and will continue to for the rest of the season.
