

2026-2027 Facilities Rental Fee Schedules

Edgemont Union Free School District

The Board of Education's Policy on Community Use of School Facilities (Policy #1500) can be found [here](#). Portions of that Policy are contained below.

General Principles

1. Anyone wishing to use the Facilities ("Applicant") must complete a Facilities use request ("Application"), which is available on the district's website. Applicants with approved Applications shall have priority to use the specified Facility, with the understanding that, should the need arise to schedule a school-sponsored event during the specified date(s) and time(s) requested, the Applicant will forfeit its time slot in favor of the district's needs. All efforts will be made to offer an alternative date and time; however, if a mutually agreed-upon date and time cannot be reached, the Applicant will be refunded any fees paid for the previously reserved time slot.
2. All Applications will be reviewed for compliance with the law, completeness, compatibility between the requested use and the Facility in question, and appropriateness. The district reserves the right to deny any use of Facilities which, in its sole discretion, it considers to be: (i) inappropriate for the Facilities; (ii) in conflict with other district uses; (iii) in conflict with requirements for cleaning, maintenance or repair of Facilities; (iv) likely to involve excessive wear and tear or other risk to Facilities or individuals thereby; and/or (v) incompatible with the district's Core Mission. The district also reserves the right to deny any use for any lawful reason.
3. The district's approval of any Application is not, and shall not, be construed as an endorsement by the district of the Applicant, use, activity, or event.
4. The district makes the Facilities available for other community and public uses as an accommodation. The district makes no representations or warranties as to the Facilities' conditions or suitability for any use or purpose. Each user of any Facility (including any Applicant and its invitees) does so at their own risk. The district is not, and shall not be, liable in the event Facilities are not available for use by any Applicant on any particular day, for any particular purpose, even if the Facilities previously were approved for use by the Applicant on that day. Applicant shall defend, indemnify, and hold the district harmless against all costs, fees, losses, and obligations, including attorneys' fees, arising out of or relating to the Applicant's use of the Facilities.

The Application process and associated fees will be **determined by organizational tier**, and tiers will be assigned pursuant to the following criteria. Current tier qualifiers and fee schedules will be available on the district website. Where applicable, tier status will be assessed annually.

a. Tier 1

- i. Organizations that assist with the district's Core Mission
- ii. Primarily volunteer-based
- iii. Fees: No fees, so long as the facilities are used during standard operating hours and no additional costs are incurred.
 - 1. The Director of Facilities or a designee will reserve the right to pass through incremental costs that are deemed meaningful.

b. Tier 2

- i. Youth athletic programs that offer substantive support to district students and complement existing athletic offerings
- ii. Fees:
 - 1. Annual Application Fee of \$25
 - 2. Wear-and-tear fee schedule (see below)

c. Tier 3

- i. Adult athletic programs that offer benefits to district residents
- ii. Fees:
 - 1. Annual Application Fee of \$25
 - 2. Wear-and-tear fee schedule (see below)

d. Long-term Contracts

- i. In certain cases, the Board of Education, the Superintendent, or a designee may deem that a long-term contract would be in the best interest of the district or district residents.
 - 1. Contract terms, licenses, or other written agreements ("Contracts") are not the subject of this policy.

Wear-and-Tear Fee Schedule

2026-2027

	Greenville Elementary School	Seely Place Elementary School	Edgemont Jr./Sr. High School
