

Family Educational Rights and Privacy Act (FERPA) Directory Information Notice

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Steilacoom Historical School District ("District"), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the District to include information from your child's education records in certain school publications.

Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent.

- Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.
- Two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent. [These laws are Section 9528 of the ESEA (20 U.S.C. § 7908) and 10 U.S.C. § 503(c).]
- Washington state law requires school districts to provide high school student directory information to OSPI. RCW 28A.150.515 directs OSPI to share directory information with eligible institutions of higher education and other authorized partners for limited purposes related to postsecondary education, including college awareness and outreach; admissions and enrollment information; and postsecondary education and financial aid opportunities.

If you do not want the District to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify the District in writing by September 30 of each school year. The District has designated the following information as directory information:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Photograph or video image
- Date and place of birth
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
