Last day of school-
1/2 day

5th Grade Update

We have officially completed CMAS testing, and we are so proud of the effort our students showed throughout the entire process. They demonstrated focus, perseverance, and a strong commitment to doing their best each day. It was great to see them stay engaged and take the time to carefully work through each section.

At this point, only make-up testing remains for a small number of students who were absent. Classes have done a wonderful job returning to our normal routines and continuing to support one another. Thank you for your encouragement at home and for helping your student come prepared and ready each day.

Thank you
for your
support
during
CMAS!

Shorts must be
no shorter than
2 inches above
the knee

As the weather begins to warm up, we know students are excited to start wearing spring and summer clothing. This is a great time for a quick reminder that all shorts should be no shorter than two inches above the knee in order to meet our school dress code. We appreciate your support in helping your student make appropriate clothing choices so they can stay comfortable, confident, and focused on learning each day.

Curriculum
