## MAKING DREAMS COME TRUE

### Inspiration

Our friends from *La Vega ISD* came by to chat with us on how to get their district to showcase a Grocery Store and Community Outreach like ours.

They were very impressed the first time they came and were in shock, they had to come back and get the details this time. They were excited to hear how we make it all happen in our Community!

They are hoping to get theirs approved and going by January 2027!
