

# Summer Matters 2025 Academics and Enrichment

Presented by:

Dr. Leslie Hernandez, Administrator of Teaching and Learning

Manpreet Kaur, Director III Youth Development Support Services

Daniel Rolleri, Interim Assistant Superintendent Curriculum and Instruction

# Goals & Budget

SCUSD TK-12 summer learning programs are designed to minimize summer learning loss, provide opportunities for academic intervention, enrichment, and continue on the path to graduation.

Summer Learning Programs are funded by the following:

- Expanded Learning Opportunity Program (ELOP) Funds
- After School Education and Safety (ASES) Grant
- 21st Century Community Learning Centers Grant (21st CCLC) Grant
- 21<sup>st</sup> Century After School Safety and Enrichment for Teens (ASSETs) Grant
- Extended School Year is a federal mandate

# Staffing

|                                             |                                           |

# Student Identification

- **Summer Matters programs** will be open to **ALL incoming Kinder - current 12th grade** students enrolled in SCUSD
  - **Elementary:** Current TK- Current 5
  - **MS:** Current 6 -Current 7
  - **HS:** current 8 - current 12
- **Credit Recovery (CR)** open to all HS students
  - 6 HS sites will run the CR Program (CKM, LBHS, HJHS, Kennedy, Rosemont, and American Legion)
  - HS sites not running a CR program will send their students to the identified HS sites for CR
  - High School Students are identified by counselors and encouraged to participate in available options to meet graduation and **A-G requirements**
    - **Priority is given to credit deficient seniors**
- **ESY** students are determined through the IEP process

# ESY Eligibility

- ESY must be considered for all individuals who are eligible unders IDEA.
- Services are to be provided to students who:
  - Need to maintain critical life skills because they are at risk of losing those skills
  - Are exhibiting emerging skills which may be lost over school breaks
  - Will experience significant regression/recoupment of previously learned skills without the provision of such services.

# Registration Process

## ESY

Extended School Year (ESY) services are contingent upon eligibility criteria. Parents will receive an application, and upon its submission, their students will be included on the final roster for the ESY class. Applications are continuously being sent out to all students being found eligible.

## Summer Matters

- Communication will be sent via Parent Square to enroll for summer school by May 8.
- Summer school enrollment dates are April 6 –May 8
- Parents will be notified between May-June of their child's summer placement/summer school site.

# Program Structure

# Transportation

- Transportation is allocated to students who have indicated "yes" for transportation on their Individualized Education Plans (IEPs) and whose names are included on the transportation spreadsheet submitted to Transportation Department.
- Parents may choose to forgo transportation services if they are eligible for this provision.
- YDSS will provide transportation for homeless youth.

# Direct Support Services

- Students are afforded access to health aides, interpreters, and one-on-one aides, among other services, if such provisions are included in their current Individualized Education Program (IEP) during the Summer Matters & ESY program time
- All summer employees will undergo training during the pre-service days, which will include both our vendors and employees.
- Agencies are required to provide appropriate training to their employees prior to being on site to work with students in all summer programs
