Recommendation: This is an information item only

Background/Rationale: Summer Programs are essential in preventing learning loss that happens during summer months when students are out of school. In addition, summer programs accelerate learning and provide enriching activities.

Financial Considerations: After School Education and Safety (ASES) grant, 21st Century Community Learning Centers (K-8) grant, 21st Century After School Safety and Enrichment for Teens (ASSETs) grant, and Expanded Learning Opportunities Program (ELOP) grant fund all summer matters programs including summer youth employment. Extended School Year (ESY) is funded by Special Ed department.

LCAP Goal(s):

Goal 1: improving graduation outcomes of historically underserved students in the district.

Goal 2: Improving academic outcomes as students move through the district. At least 80% of all students in grades 4-8 will demonstrate growth toward mastering standards in English Language Arts (ELA) and Mathematics

Goal 3: Creating the same sense of being welcomed and safe for all students and families within the district. All students and families will feel safe and connected in their school community
