April 3, 2026

Dear Parents/Guardians,

Beginning on April 28, 2026, students in Grades 6-8 will join other middle school students district wide in taking the Georgia Milestones End-of-Grade Assessment. Although student performance is measured year-round by teachers, this test is a standardized measure for students to demonstrate their mastery of core academic subjects through established criteria set by the Georgia Department of Education.

Information provided by these assessments include:

- establishing individual student achievement levels.
- assessing strengths and weaknesses of individuals and programs.
- determining student academic growth.
- guiding us as we plan for overall school improvement.

Eighth graders will be tested in four content areas: English/language arts, mathematics, social studies and science. Sixth and Seventh graders will be tested in English/language arts and mathematics. Each content area assessment has two or three sections ranging from 35-90 minutes depending on the content and section. Testing will begin each day by 9:00 AM.

GA Milestones (Grades 6-8)

We ask that you assist us in preparing your child for testing by adhering to the following guidelines:

- **Maintain your child's normal schedule, including adequate rest, nourishing meals, and time for relaxation and play.**
- **Discuss with your child the importance of doing his/her best.**
- **Refrain from taking your child out of school during the testing sessions.**
- **Be sure your child arrives at school on time during testing days.**
- **Express confidence in your child's ability to do well.**
- **Please consider having your student leave their cellphone at home.**
- **If your student has lost their laptop charger, please consider paying the \$10 for a replacement charger.**

If you have any questions regarding testing, please contact Ms. Seneathia Lewis at slewis@rockdale.k12.ga.us or (770) 483-3371 ext 23113. Thank you for your continued support with the Georgia Milestones Assessment program.

Sincerely,

Ms. Seneathia Lewis, Assistant Principal
