*****STUDENT-LED CONFERENCES*****

CSMS would like to THANK our school community (parents, guardians, and extended family members) for your participation in our Student-Led Conferences this week!

It was truly rewarding to see our students reflecting on their work and confidently sharing their learning with the important adults in their lives.

Throughout their middle school years, students at CSMS will continue to develop essential Communication, Collaboration, and Critical Thinking skills, as they work towards becoming Opportunity-Ready Graduates of Roanoke County Public Schools.

We look forward to welcoming you back next spring to celebrate the continued growth and progress of our students and their Opportunity-Ready skills!
