

Travis Art Supply List

4th and 5th grade Elementary Art

1 "9X12" sketchbook, 1 roll of paper towels

MS Studio Art 1, 2, and 3

1 sketchbook of any size (some students like using the "mixed media" sketchbooks because you can draw and paint in them).

Any other materials needed will be posted throughout the year. If students have a preferential supply, we have the ability to store them in the art room for private use if necessary.
