Be Inspired. Be Determined. Be Unstoppable.

Dear Fifth Grade Families,

As we look ahead to next year, we are excited to welcome your students into the Sixth Grade Academy at Maclay. This program is thoughtfully designed to support students during this important transition while preparing them for success in the Middle and Upper School years ahead.

We invite you to explore our new Sixth Grade Academy webpage, where you'll find details about the daily schedule, academic experience, faculty, and helpful answers to frequently asked questions. It's a great place to get a feel for what your child's sixth-grade year will look like.

In the coming days, you will also receive information about scheduling classes with Dr. Turner, who will guide you through the course selection process.

We are truly looking forward to partnering with your family during this exciting next step. If you have any questions along the way, please don't hesitate to reach out.

Sincerely,

Barbara Rubio-Gomez, Middle School Director
Dr. Rikki Overstreet, Sixth Grade Academy Director
