# Safety First in Our School Zones

Crosby ISD is committed to keeping our students, staff, and families safe. We want to remind all drivers to:

- Follow posted traffic signs and arrows.
- Drive the correct direction in all lanes and driveways.
- Reduce speed in school zones.
- **Avoid cell phone use** – it is prohibited in active school zones by law.
- Remain alert for crossing students and staff.

Following these guidelines helps prevent accidents and ensures a smooth traffic flow during arrival and dismissal. Thank you for doing your part to keep our students safe!

# Important Safety Information: Bicycles and E-Bikes

Dear Parents, Guardians, and Community Members,

We are writing to bring awareness to an increasing safety concern involving students riding and operating motorized bicycles, scooters, and similar devices on campus during the school day.

While we understand that these devices can be a convenient mode of transportation, their use on school grounds presents significant safety risks to students, staff, and visitors, especially during arrival, dismissal, and passing periods when foot traffic is high.

Cyclists, including those riding electric bicycles, are expected to follow the same traffic rules as drivers. This includes obeying signals, riding safely, and yielding to pedestrians.

Additionally, motorized bicycles or gas-powered bikes may be classified as mopeds under Texas law. These vehicles may require registration, insurance, and a valid license to operate legally, depending on their specifications.

Our priority is maintaining a safe and orderly environment for all students. We appreciate your partnership in reinforcing these expectations at home and helping us promote responsible and lawful behavior.

If you have any questions or need clarification, please do not hesitate to contact the school administration.

Thank you for your continued support.

## New Law: Device Restrictions During School Day

The 89th Texas Legislative Session passed **House Bill 1481**, which restricts the use of personal communication devices (like phones and smartwatches) during the school day. Students may only use devices if authorized for educational or medical purposes. Thank you for supporting a focused learning environment.

---

## Your safety matters

Our P3 Anonymous Reporting system gives students, staff, and community members a safe, secure way to report concerning behavior. If you see something that doesn't feel right, whether it's a potential threat, bullying, or anything that could impact someone's safety, you can report it anonymously.

No names. No pressure. Just a way to speak up and help keep our schools safe.

Reports can be submitted anytime through the P3 app or online. Every report is taken seriously and reviewed promptly.

Speak up. Stay safe. Support one another.
