

CLASS NEWS

Week of: 1/19/2026

A note from Ms. Wilkinson:

Dear Parents and Students,
I am so excited to be a part of the Golden Eagle 6th grade family! I have been in education for over 20 years, and look forward to providing a great second semester for you and your child. As we begin to navigate the transition in staff, I encourage you to have conversations with at home about classwork and lessons learned. There will be procedures and routines put into place to make our classroom accessible and supportive of all of our students. It will take a few days for all of us to adjust, but I trust that things will fall into place rather quickly.

Ms. Wilkinson

Looking Ahead:
