

ATTENDANCE
COMPUSORY ATTENDANCE

FEA
(REGULATION)

HIGHER EDUCATION
VISITS

The district permits up to a total of four excused absences for higher education visits in a student's junior and senior year. If documented appropriately, the visits will be excused and recorded as follows:

1. The first two visits will be coded as state excused and will be eligible for state funding.
2. Up to two additional visits will be coded as district excused and will be ineligible for state funding. In addition, any days beyond the first two will be considered in the attendance calculations when evaluating whether or not a student meets state compulsory attendance requirements.
