PARKING PERMITS

Student parking is a privilege and not a right.

A student wishing to park a vehicle in District parking lots must present a valid driver's license and proof of insurance to be eligible to apply for a parking permit as well as pay the assessed parking fee as determined by the Superintendent or designee.

Seniors have the privilege to purchase parking spaces prior to the beginning of the school year.

Juniors will have parking spaces allotted through selection by lottery.

Sophomores and freshmen do not have parking privileges.

PARKING GUIDELINES

Permission to park on the HPHS campus is granted subject to all rules and regulations of the school district.

STUDENTS

Students will not be permitted to:

1. Speed in any District parking lot.
2. Double-park or back-in park.
3. Park across a white or yellow line.
4. Park in a fire lane.
5. Loiter or sit in parked cars during school hours.
6. Park in a reserved space other than the one assigned to them.
7. Sell or trade spaces.
8. Park an oversized vehicle without prior approval from the student's assistant principal.
9. If they are an underclassman, go to their vehicles during the school day without a pass from their assistant principal or attendance office.

Students should always lock their vehicles and store personal belongings out of sight.

Violations can result in parking permits being revoked for the current and/or next school year and students will be subject to disciplinary action in accordance with the Student Code of Conduct. Repeated violations of this regulation will result in the student's vehicle being towed at the student's expense.
