APPEAL
COMMITTEES

The written formal Level One appeal will be reviewed by the campus selection committee which may be comprised of the principal or designee, TAG specialist, counselor, and other staff as appropriate. The committee will respond in writing within ten business days.

The formal Level Two appeal will be heard by a District committee that may be comprised of the District TAG Program Coordinator, the Assistant Superintendent for Curriculum, Instruction and Special Programs, a principal from a different campus, and a TAG specialist from a different campus.

APPEAL FORMS

The appeal of a TAG decision should be made in writing on a District form and submitted to the appropriate administrator within the timelines specified in policy FNG(LOCAL).

The Gifted and Talented Appeal Forms are available on the District's Web site at the following address:
