

ACADEMIC ACHIEVEMENT
CLASS RANKING

EIC
(REGULATION)

**STANDARDS TO
ACHIEVE CLASS
HONORS**

The high school administration has determined that the threshold for honor graduates will be based on the weighted grade point average (GPA) calculated to the third decimal place as follows:

- Summa Cum Laude 4.400
- Magna Cum Laude 4.250
- Cum Laude 4.150

**CATEGORY I
LIMITATIONS FOR
FRESHMEN**

Freshmen may only take one Category I course provided that the student has obtained administrator approval to do so. Administrator approval will only be granted in Math or LOTE courses according to the natural course progression as outlined in the Academic Planning Guide or for a transfer student who is already enrolled in an AP course.

**NON-GPA COURSE
EXEMPTIONS**

Numerical non-GPA grading is only available for unweighted courses.

Courses eligible for numerical non-GPA grading are athletics, P.E., cheer, Belles dance, band, orchestra, theatre, visual arts, robotics, debate, and journalism.

Students must declare intent to elect numerical non-GPA grading by the end of the tenth day of instruction each school year. Request forms must be completed online by the due date. The selection shall remain in place for the remainder of the school year. A new student or a student who adds an eligible class at any point after the start of the school year must submit the request for numerical non-GPA grading within 10 business days of enrollment in the course.
