## Child Care Agreement- Updated Handbook and Information Received

I, \_\_\_\_\_, have read and reviewed a copy of the **Before and After School Child Care Handbook Revised 2/2026** and the MSDE **Parent's Guide to Regulated/Licensed Child Care** (located on the last two pages of the child care handbook) will abide by the rules, guidelines and regulations which govern the Child Care Program. I have been made aware of scheduled closure dates for CCPS high school graduations.

Parents wishing to discontinue childcare services are required to complete the change of status form and submit it to the Child Care Central Office **two weeks** prior to the last day of enrollment for the security deposit collected at the time of enrollment to be applied to the child's last two weeks of care. Parents forfeit the security deposit if the Child Care office does not receive two weeks' advance written notice. Fees continue to accrue until the change of status form is received. Parents are responsible for payments during the time that their child/ren are officially on the enrollment list.

I understand the withdraw procedures as written above and in the Child Care Handbook.
