Mission Statement: As we learn and grow together daily the staff at Tyro Elementary will create prepared, lifelong learners by providing a welcoming, inclusive, engaging environment for students, parents, and the Tyro Community.

Vision Statement: The family of Tyro Elementary will collaborate to achieve a supportive educational environment that positively impacts our community.

School Hours:

Doors open at 7:30 am

School begins at 8:00 am

School dismisses at 2:35 pm

Front office closes at 4:00 pm

Information included on the following pages is listed alphabetically.

ARRIVAL AND DISMISSAL

Safety is always a primary concern at Tyro Elementary School. It is especially important during arrival and dismissal. For the safety of all, please adhere to the following:

Arrival Procedures

1. Students arriving in the car rider line should arrive between 7:30 and 8:00 am. Breakfast is served between 7:30 and 8:00; however, if your child is wanting to eat breakfast, it is best they arrive prior to 7:45 each morning so your child does not feel hurried before class time.
2. No student should get out of their car before the 7:30 am bell or before our staff are on duty.
3. All cars bringing students to school must use the front parking lot (not the bus lot or rear staff parking lot).
4. If your child is able to unbuckle themselves and can open their own car door, please use the traffic circle. **If your child needs assistance getting out of the car, you will need to park in a parking space and walk your child across using the crosswalk once cars are stopped to unload cars.** We will only have two staff members available on car duty at best this school year.
5. Cars should remain in the right lane while dropping off their child.
6. Students should get out on the passenger side of the car for their safety, so they can step directly onto the sidewalk without crossing traffic. If your vehicle has a booster seat, make sure it is located so the student can exit from the passenger side. Students should be ready to exit their vehicles when they reach the sidewalk area, allowing at least 9 vehicles to unload at one time.

Dismissal Procedures

1. As cars arrive in the afternoon, they should park and wait by the field at the end of the school. No cars will be allowed to park in front of the school. Parents will wait in their cars.
2. Two name plates will be supplied for each car rider at the beginning of the school year. In order for your child to be picked up from school, the adult picking up your child will need to have this name plate displayed in their window.
3. A staff member will come to your parked car in the car rider line to call out your child's name. We only move one lane of cars at a time (total of 10 cars).
4. At 2:38 pm, the car rider bell will ring and students will be dismissed from their classrooms. We will begin our car rider dismissal process as soon as all students are ready. Students will listen for their names and a cone number to be called. Students will stand by the cone and wait to get in their car. All parents will need to remain in their cars. **We do not allow "walkers" – parents are not allowed to park in the parking lot and walk up to get their students.**
5. Once the student is in the vehicle, the name plate will need to be removed from the window.
6. Remain in your vehicle the entire time. If students need assistance buckling themselves in, the parent will need to park in a parking spot once dismissed from the car rider line.

Tardies and Early Dismissal Policy

It is extremely important for students to attend school regularly and be at school the **full** school day. When they are on time in the morning, they are able to get settled in and organized to get a good start on the day with the rest of the class. The last 20 minutes of the day are just as important to make sure they have their assignments, to review what they have learned that day, and to talk about the next day's plans. Teachers lose valuable time when making up lessons and assignments for students who are excessively tardy, leave early, or are absent. Parents can be helpful by scheduling your child's appointments after school when possible, or on days when school is not in session.

Any student who arrives after 8:00 am is tardy. Their parent must park and walk the student into the office, signing the student in.

There will be no early dismissals after 2:15 pm. It is our top priority to make sure our students arrive at their destination in the afternoon safely. Dismissals after 2:15 pm create confusion for the students and staff. No one is allowed to walk up to the car rider line to pick up a student early without having to wait in the car rider line. Early dismissals will only occur before 2:15.

ATTENDANCE

In order to attend Tyro Elementary School, a student must legally reside within the school district. Two proofs of residency will be required. All students entering for the first time will also need documented immunization records and certified birth certificates. If you move at any time during the school year, you will be required to provide two new proofs of residency.

The school day begins at 8:00 am and ends at 2:35 pm. Your child must be present for at least one half of the school day to be counted as present. This means that a child must arrive by 11:15 and stay the rest of the day to be officially present. A student who leaves before 11:15, and does not return to school, will be counted absent for the day. See School Board Policy 6.4 for Attendance policy and NC Public School Law General Statute 115C-378.

BUS RIDERSHIP & SAFETY

In an effort to ensure student safety and to provide continuous improvement and efficiency in our bus transportation, the county utilizes a ridership request program. Parents/guardians must complete a ridership form to request school bus transportation for their children in advance before students may ride the bus. If a student's name is not listed on the bus route, he/she may not ride the bus until the Transportation Department has added his/her name to the bus route. This could take up to 10 days.

PreK-3rd grade students MUST have an adult visible at the bus stop in order to be let off the bus. If no one is at the stop, your child will be brought back to the school or Tyro Middle School and will need to be picked up. If this happens more than once, your child will be suspended from riding the bus.

Riding the bus is a privilege extended to students that can be taken away at any time for disruptive or unsatisfactory behavior. All children being transported are under the authority of the bus drivers and must obey their directions. It is important for parents and children to understand that according to North Carolina State Law, the principal may suspend passengers from riding on a school bus for inappropriate or unacceptable behavior. Safety will be the top priority.

North Carolina Board of Education Policy Manual Policy states: "Unless safety factors require otherwise, Superintendents may not plan bus stops closer together than 0.2 miles. Each student must be at the designated stop at the time of the bus arrival." Davidson County Schools asks that students be at the designated stop 10 minutes before the scheduled arrival time of the bus. North Carolina Board of Education Policy Manual Policy states: "A route may not deviate from a general path of direction from a distance of less than one-half mile and then return to the original path except for groups of 10 or more pupils, unescorted pupils in grades K-3 or special education pupils." Bus drivers are prohibited from blowing the horn to alert children or parents that the bus has arrived. Note: The horn is a safety feature and warning device. It is not to be used as an indicator for the child to start toward the bus.

School buses will not be released to run routes if there is an active "Tornado Warning" in effect.

Eating, drinking, and smoking are strictly prohibited on the buses. In no case will a child be allowed to ride a different bus from which he/she is assigned, or get off at a different stop.

CLASS PARTIES

To preserve instructional time during the school day, School Board Policy states that each classroom is allowed only two (2) parties per year. Teachers and the administration will establish these dates. Foods must be commercially prepared, rather than home-prepared. This would include prepacked foods and foods which are purchased from a bakery and brought to school.

No birthday parties are allowed at school. Birthday party invitations can be sent home only when they are provided for all students and given to the teacher to be passed out to children as they leave at dismissal time. Birthday snacks may be sent in for the class to enjoy as long as they are commercially prepared (no home-made snacks allowed). **Snacks must be left in the office by 10:00** and will be delivered to the classroom for you. Parents are unable to join the class for this special snack.

Students are not allowed to receive balloons or flowers at school. Please save these gifts for home.

COMMUNICATION

We value input and communication with our parents and school community. Teachers communicate with parents through newsletters and Class Dojo. Please check your child's folder and Class Dojo to keep up with important school information. Administrators will communicate important school events through a weekly phone message and Class Dojo. You can also visit our Facebook page, <https://www.facebook.com/tyroelem>, to view exciting events at TES!

Our top concern is the safety, well being, and education of each child. We can either talk with you by phone or make arrangements for a conference. Teachers may be reached at school between 2:30 pm and 3:00 pm, if they do not have afternoon duty that day. The administration can be reached between 8:15 am and 4:00 pm. Our number is 336-242-5760.

Staff members may not be able to communicate during the day. They are actively teaching our students. You can send them a message and they will respond within 24 hours, except on weekends and holidays. **School quiet hours on Class Dojo start at 6:00 pm and end at 6:00 am. Your message may not be seen until the next day if sent after 6:00 pm.**

DISCIPLINE & STUDENT CODE OF CONDUCT

Tyro Elementary School is committed to providing an environment where students and staff positively interact for maximum learning to occur. Our school is a Positive Behavior Intervention and Support (PBIS) school. At Tyro, our Bears ROAR, which stands for **R**espectful, **O**rganized, **A**ttentive, and **R**esponsible. Teachers will teach our school-wide expectations during the first several weeks of school and revisit them throughout the school year. Our PBIS matrix is posted throughout the school.

Serious Student Misconduct

1. The student shall not continuously and intentionally make noise or act in any manner as to interfere seriously with the teacher's ability to conduct class.
2. A student shall not intentionally do bodily harm to any person on the school grounds or while on school property.
3. A student shall not repeatedly fail to comply with directions of any staff member.

The principal may discipline the student by assigning the student to a time-out setting, in-school suspension, by applying punishment for up to ten (10) days out of school suspension, and/or conferring personally with the superintendent to secure her approval for more severe action. A complete copy of the DCS policy (6.11) may be found online on the DCS website. **There will be zero tolerance of verbal or physically aggressive behavior, and this may lead to suspension.**

Personal Belongings

The school is not responsible for any loss of personal property. All personal belongings should be clearly marked with the student's name. The lost and found is located in the hallway near the cafeteria restrooms. Unclaimed items will be given to charity at the end of each nine weeks. Phones, games, toys, or valuables should not be brought to school. Parents may be requested to

personally pick up items brought to school that are not a part of the curriculum or requested by the teacher.

Threat of Violence Protocol

A threat is a communication or behavior that indicates an individual poses a danger to the safety of school staff or students through acts of violence or aggressive behavior that would cause harm to self or others. Threats may be expressed or communicated behaviorally, orally, visually, in writing, electronically, or through other means. As a school, we must take threat behavior seriously every time regardless of the severity of the threat or the age of the child. After investigation of the threat of violence incident, school personnel will provide the parent/guardian with specific information on the behavior exhibited as well as consequences and disciplinary actions taken. Any student who communicates a threat of violence toward another student, group of students, staff member, or the school as a whole, will be sent home immediately. This protocol, in compliance with current NC House Bill 605, allows us to ensure the safety of all students and staff members throughout each school day.

Weapons

It shall be the violation of policy for a person to carry or possess on educational property any object which can reasonably be considered a weapon. ALL pocket knives are considered weapons. (State Law 14-269-2)

School Counseling

At Tyro, we have a full-time counselor on staff. During the school year, our counselor provides individual and small group counseling for all students on an as needed basis.

DRESS CODE & STUDENT APPEARANCE

The Davidson County Board of Education respects a student's right to choose his or her style of dress or appearance. However, students are expected to adhere to standards of cleanliness and dress that are compatible with the requirements and expectations of a school learning environment. (School Board Policy 6.37)

Students should not wear the following:

- Clothing that is disruptive to the teaching/learning process and is revealing, indecent, vulgar, or obscene
- Clothing that promotes alcoholic beverages or the use of controlled substances by words, symbols, or images, or is of a disruptive nature
- Clothing that contains profanity, nudity, depicts violence, or is sexual in nature by words or symbols
- Hats, bandanas, or sunglasses (unless this is a class reward for one day – parents and office will be notified by the teacher if this occurs)
- Clothing that is sheer or mesh; undergarments are visible
- Sagging pants which cause undergarments to be visible
- Spaghetti strap tops or muscle shirts without a t-shirt; halter tops or tops showing the midsection
- Biker shorts, short shorts, or very short skirts

- Blankets, flag, stuffed animals
- Footwear that may present a hazard to health and safety (Examples include flip flops, sandals, slides, slippers, heelys, etc. that prevent a child from being able to run and climb playground equipment safely or participate in recess/PE.)
- Students shall wear shorts or pants under any dresses or skirts if they plan to play on the playground equipment

If a student is wearing inappropriate or disruptive clothing, parents will be called to bring a change of clothing for the student.

EMERGENCY CONTACT INFORMATION

Each student will bring home an emergency information sheet at the beginning of the school year for parents to fill out. Please take time to fill in each blank carefully and completely on both sides of the document, writing clearly and legibly so it can be read by our staff members. It is extremely important for this information to be up-to-date. **Please notify your child's teacher or the office if any information regarding your child needs to be changed or updated throughout the year.** Our teachers and administration will use emergency contacts frequently when children are sick or injured at school and parents need to be contacted.

Students cannot be allowed to use the phone throughout the day to call home. If a student is sick or injured, you will be notified by a school staff member.

FIELD TRIPS

Field trips are an extension of the curriculum and part of the regular school day. Each grade level may choose to attend up to two (2) educational field trips per year. Due to safety and liability concerns, employees of Tyro Elementary School and/or the Davidson County School system will act as chaperones on field trips and will be responsible for handling any discipline issue or emergency situation that may arise.

Parents are invited to attend field trips when deemed appropriate by the grade level; however, they must provide their own transportation. When attending a field trip with your child, we ask that you and your child stay with the teacher and class so that your child will get the full benefit of the curriculum objectives being met through the field trip experience. To preserve the educational effectiveness of field trips, siblings are not invited to attend. Students are expected to ride to and from all field trips with their class on the DCS activity bus, unless administration approves. We appreciate your involvement and interest in the education of your child.

Permission forms must be returned for all field trips or your child will not be permitted to attend.

ILLNESS & INJURY

In order for us to ensure a healthy learning environment, we ask that you keep your child home when they are sick. In the event you are contacted because your child is sick, please arrange for your child to be picked up within the half-hour.

If your child has a chronic illness, such as asthma, diabetes, heart problems, or life threatening allergies, please inform your child's teacher and our school nurse immediately. You can call the

school to leave a message for our school nurse, who is in our school one day per week at a minimum.

INCLEMENT WEATHER

A decision to delay or close school is made by Davidson County Schools' central office staff and will usually be announced by 6:00 am. Listen to your local television for news on school closings or delays. An announcement may also be posted on our school website, Facebook page, or the district's Facebook page. NO ANNOUNCEMENT means that school is running on a normal schedule. Schools can be delayed 1, 2, or 3 hours depending on conditions, and can be dismissed early.

INTERNET PROCEDURES

Davidson County Schools' Board of Education recognizes that parents of minors are responsible for setting and conveying the standards their children should follow when using media and information sources. All students will be required to receive a yearly Internet usage form providing consent for the student to access educational based sites from the parent/guardian. Each K-12 student in Davidson County Schools completes internet safety lessons at the beginning of the school year and throughout the school year as needed.

LICE POLICY

Any student identified with head lice will be sent home at the time live bugs are found for treatment of the lice and removal of the nits (eggs) from the hair. It will be counted as an excused absence if a student is sent home prior to having been at school long enough to be counted present for the day. **Students should return the next school day, being accompanied by a parent and reporting to the school office to be screened by a school designee for any remaining live lice. A student may NOT return to school on the bus.** If live lice are found, the student will be required to return home for additional treatment. A student will be excused no more than two (2) back-to-back days for three (3) occurrences due to the presence of live lice. All unexcused absences are subject to the consequences set forth in the Davidson County Schools' head lice policy (6.36) and attendance policy (6.4). Every effort should be made to keep the student in attendance and remain on track academically.

MEDICATIONS

It is recognized that students may need to take medications during school hours. School personnel may administer medications prescribed by a doctor upon the written request of the parent(s)/guardian receiving a completed, signed, and dated medication form from the doctor and parent. Student self-carry medications are allowed for situations including asthma (inhalers), diabetes (insulin and glucometer), and severe allergic reactions (epinephrine auto injection). All other prescription medications must be stored in the office and administered by school personnel. The following criteria must be met for medication to be administered:

1. The appropriate DCS medication form (available from the school office and on the district's website) must be completed and signed by the parent or guardian and licensed health-care provider.

2. Students may require health counseling by the school nurse, if receiving a self-carry medication.
3. Students who are at risk for medical emergencies, such as those with asthma, diabetes, and severe allergies should have an emergency health-care plan developed for them by their doctor and parents/guardians to address emergency administration of medication.

All medications must be in the original container/bottle with the student's name labeled on the packaging.

All prescription medications must be brought to the school office by the parent/guardian. Students are never allowed to possess medication at school or on the school bus. This includes Chapstick and cough drops. Students may not distribute, purchase, or sell any medication – prescription or not-prescription.

MONEY & SCHOOL FEES

Breakfast and Lunch Information

This school year, ALL students will automatically receive a free breakfast and lunch since we are a Title I school. Adults pay per item/a la carte. Prices are available in the cafeteria.

If you do not want your child to be able to purchase “extras”, please send in a letter to the cafeteria manager through your child's teacher. We will make every effort to honor your request. Parents can put money on their child's account at www.lunchprepay.com. This website allows parents to get a detailed report of purchases made by their child.

School breakfast and lunch menus can be found under “School Nutrition” on the Davidson County School's website. No restaurant food will be allowed in the cafeteria, due to federal regulations. Please do not bring McDonald's, Wendy's, Subway, etc. and expect to be allowed in the cafeteria with the food or drink.

Only staff members are allowed to use the cafeteria microwaves. Due to lack of time and facilities, our staff will not be allowed to microwave food that students bring from home.

School Cash Online

School Cash Online is a fast, convenient, and safe way to make payments online. It only takes about 5 minutes to register at dcs.schoolcashonline.com. Information is available in our front office with step-by-step instructions on how to enroll and make payments. This will prevent you from having to write a check to the school or send cash with your child for any field trips, school fees, t-shirt money, etc. throughout the school year.

Student Fees

A system-wide instructional fee of \$7.00 is required of all students in kindergarten through fifth grade. This should be paid at the beginning of the school year. Please make every attempt to pay this fee for your child(ren). This fee helps with the cost of instructional materials, resource books, physical education equipment, and first aid supplies. Additionally, a technology fee of

\$35.00 is required annually. This fee covers apps and programs we subscribe to that your child will be using while at school on a regular basis, as well as the upkeep for each Chromebook. *If your child qualifies for fee waivers, please complete the fee waiver request form within the first month of school.*

Worthless Check Program

Worthless checks received by Davidson County Schools will be turned over to the District Attorney's office. The criminal process will be issued, if needed, in order to collect restitution for the amount of the check. Penalty fees will be applied.

PROMOTION STANDARDS

One of the most important responsibilities that we have as educators is monitoring student performance and behavior. It is equally important to inform parents regarding the progress their children are making in the classroom. Each teacher has developed a plan for contacting parents regarding student progress (student work coming home, graded assignments/tests, progress reports, etc.). We ask that you review your child's work and communicate with their teacher if you are concerned about their progress, as well as attending scheduled conferences. You may do this via email or Dojo messaging. Our teachers will respond to parent communication within 24 hours, with the exception of weekends or holidays.

The principal has ultimate authority in promotion decisions based on G.S. 115C-228(a) and state and local standards. **Students may not have more than 16 absences and be eligible for promotion.** All students must meet teacher standards in reading and math. State law also requires that third grade students, who are not proficient using Read to Achieve standards, be retained in third grade or be given a "RTA retention label" for a transitional year in fourth grade.

TITLE IX & STUDENT GRIEVANCES

The Davidson County Board of Education believes all students and employees should be free of unlawful discrimination, bullying and harassment, including sexual harassment, as part of safe, order and inviting learning, working conditions. The Board is committed to nondiscrimination in all educational and employment activities and expressly prohibits unlawful discrimination and harassment on the basis of race, color, national origin, sex, pregnancy, religion, veteran status, age, or disability. The Board prohibits retaliation against student or employee exercising rights made available through state or federal law, and prohibits retaliation for reporting such violations. Policy violation is serious; appropriate action will be taken, up to and including suspension (for students) and termination (for employees).

Title IX Coordinator: Assistant Superintendent of Human Resources

Section 504/ADA Coordinator: Dr. Kelsey Greer

TOBACCO & VAPE FREE SCHOOL POLICY

The Davidson County School Board of Education recognizes that the use of tobacco is a health, safety, and environmental hazard for students, employees, visitors, and school facilities. The Board believes that the use of tobacco products on school grounds, in school buildings and

facilities, on school property or a school-related or school-sponsored event is detrimental to the health and safety of students, staff, and visitors. The Board acknowledges that adult employees and visitors serve as role models for the students. The Board recognizes that it has an obligation to promote positive role models in schools and promote a healthy learning and working environment, free from unwanted smoke and tobacco use for the students, employees, and visitors on the school campus. Finally, the Board recognizes that it has the legal authority and obligation pursuant to G.S. 115C-407 Policy Prohibiting Tobacco Use in School Buildings, as well as the federal Pro-Children's Act Title X of Public Law 103-227 and the No Child Left Behind Act.

No student, staff member, or visitor is permitted to use any tobacco product or inhalant at any time on school property, including non-school hours.

TRANSPORTATION CHANGES

Every student's routine for leaving school is recorded on information forms in their classroom and on the student information sheets in the office. **The routine for leaving school must be followed each day, unless a note is written by the parent/guardian and is sent to the office specifying different arrangements. All transportation changes must be received in writing (via note with student, Dojo message with confirmed receipt from the teacher, faxed note) and is received in the office no later than 2:00 pm.** Transportation changes after 2:00 create confusion for students and staff. Our top priority is for students to arrive safely at the correct destination in the afternoons. Therefore, we cannot accept transportation changes after 2:00. We also will not take any bus or car changes over the telephone. This is a safety concern and we need all changes in the form of writing.

VISITORS & VOLUNTEERS

Parents are encouraged to maintain contact with their child's teacher. If you plan to visit for lunch, please inform the teacher in advance (at least the morning of). When visiting our school during school hours (7:30am-2:35pm), please remember this time is crucial to maximize student learning and this is not a time for conferences. Parent-Teacher conferences need to be scheduled for a time when students are not in the building.

All visitors and volunteers are required to sign in at the school office. A visitor's badge will be issued and is to be worn at all times during the visit. All staff members are required to escort a visitor without a badge back to the office to obtain one. This is for safety purposes. Lunch guests will be allowed to enter through our security doors and asked to wait at the furniture in the bus lobby. No one except for staff members are allowed to return to the compass or classroom after lunch. Lunch visitors are expected to say their good-byes to the student at the safety doors and then immediately check out in the office.

Volunteer policy: Any volunteer who wishes to work in our school and within our classrooms must complete a background check through DCS. These forms are available in the school office. Background checks may take up to 30 days to process once completed and returned to the school office. Parents and community volunteers are NOT allowed to be in classrooms until the

office verifies that we have this on file. We must always know who is in our building and why; this is a safety precaution.

DAVIDSON COUNTY SCHOOLS' BOARD POLICY MANUAL

Our Parent/Student Handbook serves to present policies and procedures that are most pertinent to Tyro Elementary. It is not an all-inclusive document. For detailed information pertaining to Davidson County Schools' Board Policies, please visit: www.davidson.k12.nc.us. You will locate the school board manual under "Administration", "School Board", and then "School Board Policy".

ASBESTOS AND PEST MANAGEMENT NOTICE

If you would like an asbestos or pest management form from the school and county office, please contact the front office and a copy will be sent home with your child.

TYRO ELEMENTARY SCHOOL'S FAMILY ENGAGEMENT POLICY

Engagement Committee:

Teachers, Instructional Assistants, Instructional Coach, and Administrators will come together to brainstorm ideas for upcoming Title I Events. The ultimate goal is to engage students and parents along with TES staff working together to support and improve the learning of our students

We promise...

- To work with you and not against you, invite you for conferences
- to build relationships with you and your student(s) so they recognize we care deeply for them
- To ask your feedback regarding Title I nights and overall school-wide effectiveness

Title One Events will...

- Provide a clear understanding of school-wide and classroom expectations
- Build relationships with families to support in student success
- Provide support when navigating district and state testing
- Provide clarification on what Title I means for their child
- Introduce the Family Resource Center and contents
- Coordinate social support outside the school building to ensure an adequate home environment

Advisory Council:

Tyro Elementary School will provide opportunities for parents to openly participate on the Advisory Council. This council meets five (5) times per year and is considered to be a liaison between the school and community.

What we would like our Tyro Bear students to do...

- Arrive to school on time and stay the entire day
- Be respectful to everyone they encounter
- Exemplify ROAR
- Be a good messenger between home and school
- Complete assignments
- Read with an adult or independently often

What we would like our Tyro parents to do...

- Be a positive role model
- Get your student to school on time (unless they are sick)
- Maintain high expectations and offer praise and encouragement
- Talk to your child about their day at school
- Involve your student in problem solving situations
- Attend conferences as needed
- Attend our Title I nights
- Read often as a family

Each school served under this part shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy. (Section 1116, ESSA)

Tyro Elementary Parent/Student Handbook Acknowledgement

Please read the contents of the handbook that is found on our school website, <https://tes.davidson.k12.nc.us/>, and return this form, signed and dated, back to your child's teacher within the first two (2) weeks of school. Thank you for your partnership in your child's education. It's going to be a fantastic school year!

Student Name (printed): _____

Teacher: _____ Grade: _____

We have read and reviewed the Parent/Student Handbook. I understand and agree that my child will abide by the rules and regulations set by the Davidson County School District and Tyro Elementary School in order to create a safe and positive learning environment for all students.
