About Warrior Football

Warrior Football started at the varsity level in 1992. In the 35 years since it's first season the program has grown to tremendous heights. After struggling through the 1990's the team has reached the post season for 24 straight seasons. The Warrior football program has become one of the most successful teams in the Lackawanna League.

Go Warriors!

Warrior Kid Camp

The Future of the Warrior Football program begins here! Several of our current players were all campers at one point growing up. This is an opportunity to learn basic fundamentals from the Warrior Football staff, and current members of the Warrior Varsity squad. Kid camp is a week of fun, laughter and learning.
