You reported on your Free Application for Federal Student Aid (FAFSA) that you are an unaccompanied youth who is homeless or is at risk of being homeless. We must have this completed form and any required documentation before we can continue to process your financial aid.

### Please review the definition of homeless and unaccompanied youth before proceeding.

- **Homeless** – lacking fixed, regular and adequate housing, which includes living in shelters, motels or cars, or temporarily living with people because you had nowhere else to go.
- **Unaccompanied** – you are not living in the physical custody of your parent or guardian.

### At any time on or after July 1, 2025, did any of the following determine you were homeless or were self-supporting and at risk of being homeless? (Select one that applies):

- Your high school or school district homeless liaison. *Provide a copy of documentation from the homeless liaison.*
- The director or their designee of an emergency or transitional shelter, street outreach program, homeless youth drop-in center or another program serving those experiencing homelessness. *Provide a copy of the documentation from the director of the shelter/program.*
- The director or designee of a project supported by a federal TRIO or GEAR UP grant. *Provide documentation from the director of the program.*
- A previous financial aid administrator (FAA). *Provide a copy of the documentation from the FAA.*
- You became homeless due to a change in circumstances but do not have a professional determination. *Speak to a Metro Tech Financial Aid Administrator to discuss your circumstances.*
- I made an error on my FAFSA and none of these situations apply. *You MUST correct the information on your FAFSA and provide your parent(s) financial information and signature.*

**WARNING:** If you purposefully give false or misleading information you may be fined, sentenced to jail, or both.
