Dear Parents and Guardians,

Our students will begin taking the SC READY (South Carolina College-and Career-Ready Assessments) starting on May 6, 2026. SC READY is a statewide assessment for students in grades 3–8 that measures progress in English Language Arts (ELA), Mathematics, and Science. These tests assess how well students are meeting South Carolina academic standards and their readiness for future success. We are proud of our students and know they will do their best. Thank you for your continued support. If you have any questions, please contact the school.

How You Can Help Your Child Succeed

Please support your child during testing by ensuring they:

- Attend school daily and avoid appointments on testing days
- Get a good night's sleep and eat a healthy breakfast
- Arrive at school on time and stay positive and confident
