Attendance Matters

When children are not ill, it is extremely important to be present in school. Here's why:

- Starting in Kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just 1 or 2 days every few weeks.
- Being late to school may lead to poor attendance. Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attendance Support

Our Student Support Team monitors attendance patterns and reaches out to families when attendance rates surpass 10%. The purpose of the team is to connect students and families with resources and support. The ultimate goal is to enhance students' academic achievement and well being.

What are Grade Level Essentials?

Grade Level Essentials are the core concepts and skills students need to know to be successful in the next grade level. The essentials and proficiency measures at Wilson have been identified and developed by our grade level teams. All students receive focused instruction and progress monitoring on 4-5 essentials in ELA and Math throughout the year during our daily Wolfpack personalized learning periods.
