About the Connecticut Veterans Memorial

The Connecticut Veterans Memorial was commissioned by the Town Council of West Hartford in June 2001. The purpose of the memorial is to honor the fallen heroes from West Hartford who gave their lives during any war in our nation's history.

The black granite Wall of Peace is engraved with the names of these local heroes. The spiraling wall is perforated at each point the United States entered war, and peace was broken.

The Walk of Remembrance, which encircles the Wall of Peace, contains the names of men and women from all over the country who have served honorably in our armed forces. There are 5500 granite stones that make up this walkway. Along the outer edge of the walkway is a timeline of events significant to West Hartford.

In the center of the memorial is the Court of Honor. On Dedication Day, May 21, 2006, waters from the seven seas and soils from battlefields, cemeteries, and prison war camps from all over the world in which our fallen heroes were killed or laid to rest were folded into West Hartford earth.

Purchasing a Memorial Paver

If you would like to purchase a memorial paver, visit our website at www.westhartford.org/veterans and click on "Buy a Memorial Paver" for an application or call (860) 561-8100. The price is \$125 for the veteran's name and \$10 for an additional line of information.

Any person, whether dead or alive, in Connecticut or out of state, who has honorably served in the armed forces may have his or her name on a memorial paver stone.
