

Frequently Asked Questions

How many sessions are there?

There are 3 sessions. All registrants must enroll for each individual session.

Are breakfast and lunch provided?

Yes, breakfast and lunch are included in the cost of tuition.

Is transportation provided?

No, parents must provide transportation to and from the program.

Will my child be allowed to bring electronic devices to the program?

No, we are implementing a device-free policy for students this summer and will not allow students to bring in their personal mobile or electronic gaming devices.

*Free T-Shirt also included

Program Activities

English Language Learner (ELL) Support

Students identified by the district as English Language Learners (ELLs) will receive additional supports through a push-in model. In this model, an ENL teacher supports ELL students during content instruction in collaboration with enrichment teachers to provide language acquisition and vocabulary support. The ENL teacher co-plans and co-teaches with our enrichment teachers to provide targeted English language development within the provided curriculum.

STEAM Activities

Hands-on STEAM activities are designed to make ALL students get excited about the world around them. Sample programs include: Makey Makey, Green Screen, Drones, Cubelets Bot Builder, Cosmic Coders, Canva and Video Game Design Bloxels.

Literacy Courses

Students will participate in small groups specifically designed to develop literacy skills and engage students in their learning. Students will have fun as they design and author their own creative works. Sample programs include: Rogue Rodent Mystery, Mo Willems, Mock Trial, Enchanted Steam Fairy Tales, Sweet Treats, Observing Ozobots, Ornithology and Book Creator.

Reading Adventures–Guided Reading

Students will explore a wide variety of texts by participating in small reading groups at their instructional levels and engaging in activities connected to their reading. Using both fiction and nonfiction, students discover how reading expands their understanding of the world. Across all program areas, learning experiences support the goals of the **NY Inspires** and **Portrait of a Graduate** initiatives by fostering communication, collaboration, critical thinking, creativity, and financial literacy through real-world connections.

Field Trips

Field trips are offered to **full-day students only**, and the cost is included in the tuition. Parents or guardians may opt their child out of any trip. Please note that field trips are for students and staff only; parents may not attend.

Swimming

Full-day students (with parent/guardian permission) will be bused one day a week to the Town of Islip Byron Lake Pool. Students not going will join the regular afternoon schedule.

Other Special Events

Students registered for our last session are invited to join the end-of-summer celebrations.

Registration Information

Registration Deadline - June 22, 2026

Registration for Summer Enrichment 2026 will take place through Camp Doc, an online system, but payments will no longer be processed through Camp Doc. You will receive an invoice directly from Bay Shore UFSD. Be sure to make payments directly to the school district according to their payment schedule, ensuring that all payments are completed by the final deadline of June 22, 2026.

Registration is anticipated to open on May 1, 2026
 To register your child, use the following QR code or link:
