

# WMS COWBOY CONNECTION

---

WMS Families,

*I wanted to take a moment to express my appreciation and admiration for our students' behavior during the lockdown this past week. They remained calm and followed teacher directions throughout the duration. We are grateful that everyone remained safe and for the incredible support from our community.*

*We also completed our second major week of state assessments, as students took the Math portions of the OST. This coming week, fifth- and eighth-grade students will take the Science portion of the OST.*

*We hope everyone has a fantastic weekend!*
