Jr. Wildcats Family Newsletter

A Message from the Principal

Dear Goldfarb Families,

Happy New Year! As we welcome the start of a new year, I want to thank you for the continued partnership, support, and care you provide to our school community. Your involvement makes a meaningful difference in the lives of our students.

The new year brings fresh opportunities for learning, growth, and discovery. Our staff is excited to continue nurturing curiosity, kindness, and confidence in every child. Together, we will build on the progress made so far and help our students reach their full potential—academically, socially, and emotionally.

We look forward to a year filled with joyful moments, hard work, and shared successes. Thank you for trusting us with your children and for being such an important part of our school family. Wishing you and your loved ones a healthy, happy, and prosperous New Year.

Warm regards,

Dr. Jane Fernandez
Principal, Goldfarb Elementary School
