★ Celebrations

Please help us congratulate our Staff of the Month:

Ms. Ramirez, Ms. Horrocks, Ms. M. Borrayo

Our **3rd-5th graders** will soon take the state **standardized test, SBAC**, this month. Let's send them some **good luck**. They have been **working hard** to become successful in this assessment.

A Message from Admin

Encourage extra effort ↑

Doing the bare minimum required will take your child only so far. Explain that doing a little bit more usually leads to better results.

Encourage your child to:

- ✓ Read a few extra pages of an assigned reading.
- ✓ Start a project early and add a detailed illustration, graph, or chart.
- ✓ Solve a few extra math problems to master a concept.

**With love and respect,
Dr. Fernandez & Mr. Crandall**

Respect. Overcome. Achieve. Radiate
