A Message from the Principal

Dear Goldfarb Families,

As we come to the close of another school year, I want to take a moment to reflect on all that our students, staff, and families have accomplished together. This year has been filled with growth, resilience, and many meaningful moments of learning and connection.

Our students have worked hard, supported one another, and continued to develop both academically and personally. I am incredibly proud of their efforts.

To our families, thank you for your ongoing partnership and support. Your involvement plays a vital role in your child's success.

We look forward to welcoming everyone back next school year, ready for new opportunities and continued success.
