

KILLINGLY HIGH SCHOOL
Student Community Service Agreement Form

Definition: *Community Service* is defined as an activity that provides a valuable or needed service, the purpose of which is **not to directly benefit self or family**. Hours may be obtained through service to a variety of non-profit groups, community organizations, individuals, and/or school activities.

I, _____ understand that I must complete **40 hours** of community service (10 for each year I attend KHS) in order to satisfy the Community Service Performance Graduation Requirement. Activities may be completed any time after the first day of school in grade 9 and prior to senior prom. I also understand that I must transport myself to a volunteer site at my expense. If applicable, I agree to adhere to the organization's regulations, policies and procedures concerning hours, personal appearance, general decorum and office practice.

- I understand I may not participate in any activity involving the use of dangerous or potentially dangerous tools and/or equipment.
- I understand I may not operate a motor vehicle while performing community service.
- I understand I may not transport individuals in a motor vehicle as part of my community service experience.
- I understand I must call the site in advance of a scheduled service if detainment or the need to be absent occurs.
- I understand that any misconduct may result in school disciplinary measures and/or failure to meet graduation requirements and that any unsatisfactory performance will result in failure to meet graduation requirements. In doing so, I place myself in an ineligible status for graduation until I satisfactorily complete the Community Service PGR.
- I understand that to qualify as community service, the hours must be unpaid and completed for a nonprofit organization. If the hours are completed for an individual, the service performed must be work that the individual is unable to otherwise do for themselves.
- I understand that fundraising and working unpaid hours at a for-profit business do not count.
- I understand that if there is a question regarding the validity of the service, KHS may call the organization/individual for verification.

I hereby accept full responsibility for my behavior and clearly understand Killingly High School's expectations and guidelines and shall govern myself accordingly.
