The physical form must be completed by a physician and dated after May 1st, 2026, to be valid for the 2026-2027 school year.

The UIL physical form now includes a notification of the option of a student to request the administration of an electrocardiogram. When the box is checked yes for ECG, it is the responsibility of the parent to having an ECG conducted. The Katy ISD Athletic Department recommends that students and parents consult with their family physician regarding the need of an ECG. Indication of the intent to obtain an ECG will not prohibit participation. Participation will not be allowed once a medical professional restricts the student from physical activity. For more information on the new PPE form and its requirements please go to

If you encounter any problems trying to submit your forms online, please contact the campus athletic trainer. Campus contact information can be found on the athletics page of Katy ISD website. <https://www.katvisd.org/athletics/home/directory>
