**California Department of Education
Official Letter**

April 1, 2026

Dear County Office of Education Chief Business Officials:

2025–26 Second Quarter Lottery Apportionment

The State Controller's Office (SCO) distributed the 2025–26 second quarter Lottery apportionment on March 30, 2026. The total apportioned to county offices of education, school districts, and charter schools is \$467,583,198.47. Local educational agencies (LEAs) will receive \$309,355,251.32 or \$54.73 (\$54.731028573) per unit of average daily attendance (ADA) for the unrestricted lottery apportionment, and \$158,227,947.15 or \$27.99 (\$27.993636892) per ADA for the Proposition 20 lottery apportionment this quarter.

To view a copy of the Master Register that lists the ADA, apportionment, adjustments, and net amount actually paid (Remittance Advice) to each county office, school district, charter school, and community college district on a quarterly and year-to-date basis, visit the SCO's web site at https://www.sco.ca.gov/ard_payments_lottery.html.

The California Department of Education requests that county superintendents of schools inform LEAs immediately of this apportionment. If you have any questions regarding the lottery apportionment, please contact the Categorical Allocations and Audit Resolution Office by email at CAAR@cde.ca.gov.

Sincerely,

Keith Smith, Education Fiscal Services Administrator
Categorical Allocations and Audit Resolution Office
School Fiscal Services Division
