

April PTSA Meeting

Tuesday 4/21 5:30pm @Hedrick (7 people present)

Track Concessions: we are all set for track concessions. Sasha made a sign-up link for volunteers, and Thomas will be able to be there all three days (4/27,4/28,5/4), with Taryne coming to help a couple hours all three days, as well as Jess and Chris and others popping in when they can. Inventory was taken of previous concession items, and we made a list of things we will need for the three days-with plenty of time to restock if we are super successful! Taryne will make price lists, Carly graciously bought/donated a hot water carafe, coolers of ice will be needed for drinks, etc... We talked more about payment options-ApplePay, Venmo, etc. and ultimately decided that will be a future issue and we will focus on getting the word out that we will be there and accepting cash.

Spring Social: some décor was chosen and purchased (balloons, streamers, door fringe, tablecloths, etc), Taryne will make ticket sale signs and sell tickets on Tuesday 5/5 during lunch, and large signs promoting the social will be hung in each hall and near the cafeteria. We narrowed down food options and prices. Staff will help chaperone. We need to talk to Mrs. M about borrowing things like the ring light. Need to arrive around 2:00-2:30 to start decorating.

Staff Appreciation Lunch: Last day of school 6/4, to be ready by 12:30pm. Carly had the great idea to make a flyer/email to send to all parents and ask for food donations (by category, per team) to help with a big potluck. Sasha spent a lot of time reaching out to food trucks and other catering options- with no luck, either being ignored or the price being out of budget. Taryne and Tray will work on a flyer to send out by the first week of May. Chris got a deal with Cherry Street Meats and will get the meat to feed everyone, and the potluck portion will be with the help of everyone (hopefully!).

NEXT MEETING: Tuesday 5/12 at 5:30pm, @Hedrick
