Poe Elementary School
Admissions Policy

Poe Elementary School is a public school in the Houston Independent School District. As such, we accept all students who live in our attendance zone. In addition, we accept students in other attendance zones via an application process through the district's Office of School Choice. Transfer application decisions are based on roster availability and are done through a lottery system. All students who attend Poe receive access to the International Baccalaureate (IB) Primary Years Programme (PYP). For more detailed information on how we ensure access to an IB education for all our learners, please refer to our Inclusion Policy.
