Subd. 3. Use of Sick Leave:

If the reason for the child care leave is occasioned by pregnancy, an employee may utilize sick leave pursuant to the sick leave provisions of the Agreement during a period of physical disability (i.e. an employee giving birth shall be able to use accumulated sick leave for the employee's duty days during the six to eight continuous calendar weeks (doctor's normal prescribed time period of disability due to childbirth) following the delivery of the child. An employee adopting a child may use up to six (6) continuous calendar weeks/thirty (30) continuous days of vacation or personal days and/or accumulated sick leave following the adoption of a child. Non-duty days, such as breaks, holidays, summer and weekends are included in the determination of the six to eight continuous calendar weeks. Accumulated sick leave may not be used on non duty days). A pregnant employee will also provide at the time of the leave application, a statement from her physician indicating the expected date of delivery. Up to ten (10) consecutive vacation or personal days and/or accumulated sick leave days may be granted to an employee whose spouse gives birth immediately following the birth of the child and to the adoptive parent following the adoption of a child. Non-duty days such as breaks, holidays and summer will be considered in the determination of the number of vacation or personal days or accumulated sick leave days granted for reasons of childbirth and adoption. However, an employee shall not be eligible for sick leave during a period of time covered by a child care leave.

Subd. 4. Beginning/End Dates:

The District may adjust the proposed beginning or ending date of a child care/adoption leave so that the dates of the leave are coincident with some natural break in the school year. It is the responsibility of the employee to pay the monthly premium amounts in advance and on

such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon termination of employment, failure of the employee to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions. Since long-term disability insurance coverage replaces salary, and there is no salary for an Unpaid/General Leave, long term disability insurance coverage is not available.

It is the responsibility of the employee to pay the monthly premium amounts in advance and on such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon the failure of the employee to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions.
