

HI, INDY!

We're Seeds of Caring and we empower kids ages 2-12 to make a real difference through service, social action, and community-building projects. Together with their grown-ups (that's you!), we encourage our youth to use their hearts, hands, and minds for good. Here are some upcoming projects that you can complete **IN PERSON** with the kids in your life! Sign up today!

APR 18

 **Ascension
St. Vincent**
Hope for Hospitalized Kids

MAY 2

 **The Milk Bank**
Comfort Kits for Mothers

MAY 9

 **WESTMINSTER**
Neighborhood Services, Inc.
Hands on Help
