Scott Swatsworth
sswatsworth@ciu10.org

EST560

Date: Apr 12, 2026

#	Item	Unit Price	Qty	Total
01	Materials Natural oak trex composite deck boards, tan face mounted composite screws. Any material for compromised subframe/joists replaced or sistered as needed.	\$3,550.96	1	\$3,550.96
02	Labor Labor to remove and dispose of original wood decking. New decking cut to original sizes and adhered. Est completion 2 days. (Weekend)	\$1,500.00	1	\$1,500.00
			Subtotal	\$5,050.96
			Grand Total	\$5,050.96

Thank you!

Note:

This is only an estimate, there is the potential for issues to arise or material prices to fluctuate. If either of these would increase the estimate by more than 20% all work will cease and permission will need granted from client to continue work.

Any additional jobs/duties client requests that is not on the original estimate will be added to the invoice and appropriately charged. Client will assure there is adequate access to items being worked on. Moveable items will be moved according to client ability. If contractor is required to move items there will be an additional charge.

*If you accept this estimate please respond with acceptance and I can get your project scheduled.

Thanks so much for offering H&H All Around Services LLC the opportunity to exceed your expectations!
