Message from the Nurse

Dear Parents and Guardians

As we prepare for the end of the school year and summer break, this is a reminder to pick up any medications that were given to the school nurse throughout the school year. Please note that we cannot send any medications home with students; an adult must obtain these medications from the nurse or adult in the office. The last day to pick up medication will be May 21, 2026. Any medication that is not picked up by this date will be disposed of properly. If you have any questions, please contact the school nurse. Thanks!

Field Day 2026

Friday, May 15th

Field Day is an exciting day for your children. We are in need of some items to help the day run smooth and make it extra special. If you could please get with your child's teacher to see if there is a need for a cooler, extra snacks, or anything extra to make the day special. Thanks for your help and participation to make this years Field Day extraordinary!

Donations needed:
