

The Doug Creamer Health Care Scholarship

George E. Weems Memorial Hospital awards a **\$1,000.00** scholarship to at least one Franklin County student each year to assist in his/her post-secondary studies. The qualified senior must demonstrate academic achievement along with positive school and community involvement. Special consideration may be given to students with an expressed interest in pursuing a career in health care. Nominees will be ranked by the following: grade-point average, civic, school and volunteer activities and submitted essay.

Eligibility Requirements

1. The student must graduate from a Franklin County school.
2. The student has applied or will apply to an accredited public or private college, university, or vocation training institute.
3. The student must have a minimum 3.0 or higher grade point average for his/her four years of high school course work.
4. The student must submit a 250 word essay stating his/her educational/career goals and describe their civic, school or volunteer activities.
