Enrollment Instructions for Subscription Busing for the 2026-2027 School Year.

The North Caldwell Board of Education will once again offer a subscription busing program for the 2026-2027 school year. Under this program, children who live more than two miles from their school will continue to be bused without charge, and children who live two miles or less from their school will be required to pay a fee to receive busing. If you live more than two miles from school and your family is entitled to busing, you have already received a letter from the Board of Education and there is no further action required as your child will be automatically enrolled. [Click here](#) to search our free busing qualification listing by street.

All families that are interested in purchasing subscription busing for the 2026-2027 school year must register and pay for your seat on the bus by **June 2, 2026**. There will be a **limited number of seats available**, and they will be sold on a first-come, first-served basis. Once capacity is reached, additional requests will be placed on a waitlist. The transportation coordinator will need time to properly implement the program once subscription levels are known. June 2, 2026, is the final deadline: We cannot provide any extensions.

Please [click here](#) to complete your application for subscription busing. As part of the application, you will be asked to select your top choices for bus stops.

Please remember Gould students who will be attending Tiny Treasures will need to purchase a seat for transportation to and/or from Tiny Treasures before June 2, 2026.

The cost for busing is \$975.00 per child round trip for the entire school year. There will not be an option to purchase one-way seats. Payment can be made via Credit Card. All payments must be received no later than June 2, 2026.

If you are requesting subscription busing services and are experiencing financial difficulties, please contact mhalik@ncboe.org

Please [click here](#) for Frequently Asked Questions on the subscription busing program, which we encourage you to review as you complete the application process. If you have any questions about the subscription busing program, please contact the Sussex County Regional Cooperative:
