April 17, 2026

Dear West Essex Community,

As a final reminder, the West Essex Board of Education is moving forward with a proposed bond referendum to address critical facility needs across the district while maximizing available state aid. As part of this effort, we are in the process of forming a Referendum Communications Committee and invite interested community members to participate. Please note that the interest form will close at the end of this weekend.

The committee will include approximately 15-20 individuals representing a range of perspectives from across our community. Members will provide feedback on communication materials and help ensure that information shared with the public is clear, accurate, and accessible.

Participants can expect to meet periodically between now and the referendum vote on November 3. Most meetings will occur in the early evening, with a combination of in-person and virtual sessions. The initial meeting will be approximately two hours in length, with subsequent meetings lasting about one hour. The total time commitment is expected to be no more than eight hours.

If you are interested in serving on the committee, please complete the [Referendum Communications Committee Interest Form](#).

Thank you for your continued partnership and support. Please feel free to contact me at dmacioci@westex.org if you have any questions.

Sincerely,

Damion Macioci, Superintendent of Schools
