

# Steeple Run Elementary School

The mission of Steeple Run's Home and School Association, with the cooperation of the Steeple Run Staff, is to enhance and promote cooperation and communication between home and school, to help keep parents informed of school and district activities, and to facilitate various fundraisers and non - curricular approved programs.

The Home and School organization is here to provide special school activities and fundraising for the school and is open to all parents of Steeple Run Students. Home and School has raised money for playground equipment, board games for inside recess, library tables and books, field trips and many other extras that our children use during and after school. In addition, they plan fun activities such as the Back to School Bash, Holiday Parties, Assemblies, Teacher Appreciation Week, Back to School Breakfast. They also put together the student directory, yearbook and Star Dollars. Home and School is always looking for new volunteers to help out. Feel free to come to the meetings or email us to volunteer! We'd love to see you.
